

# 1st Assembly Meet Starts Wednesday

GENE THOMPSON

The Reverend Gene Thompson, an Assemblies of God Evangelist with headquarters in Camden, Arkansas, will begin a revival at the First Assembly of God Church, 322 North Main, on Wednesday, June 21, at 7:30 p.m.

The Reverend Thompson has traveled over the United States for the past several years in evangelistic work and has become one of the South's most loved evangelists. Besides being a dynamic preacher, he is also a talented gospel musician, song stylist, and radio personality.

Services will begin nightly, except Monday and Saturday, at 7:30 p.m. There will also be morning prayer meetings in the auditorium of the church at 10:00 a.m., Tuesday thru Friday.

Rev. B. J. Wilhite, pastor of the church, invites everyone to come and hear the announced singing and preaching of the Word of God.

## Weather

Experiment Station report for 24 hours ending at 7 a.m. Tuesday, High 95, Low 69.

Forecast: ARKANSAS — Partly cloudy and continued warm with widely scattered afternoon and evening thundershowers through Wednesday. Low tonight mid 60s to low 70s.

## Ships Waiting

CAPE TOWN, South Africa (AP) — With the Suez Canal closed since the Middle East war, 21 ships waited in line Sunday to enter Cape Town harbor to fuel on the voyage from Asia and East Africa to Europe.

It was the port's busiest Sunday in more than 10 years. Port Capt. A. C. Matson said shipping agents had advised him of more than 100 other vessels which had been diverted from Suez around southern Africa.

## SEN. DIRKSEN (From Page One)

double-billing charge were rejected, a couple of days should be allowed for additional debate on the charge Dodd used campaign contributions and the proceeds of political testimonials for personal expenses.

Long indicated he plans to offer softening amendments, and probably a substitute, to this count.

But he said if the vote went against Dodd on the double-billing count, this would indicate Senate sentiment and he would take very little time in arguing further against the other charge.

The fifth day of debate Monday found Dodd under severe verbal fire from Wallace F. Bennett, R-Utah, vice chairman of the ethics committee.

Bennett attacked the white-haired senator's contention that the double-billings resulted from sloppy bookkeeping by a former Dodd aide, Michael V. O'Hare. "The record shows," said Bennett, "that it could not have happened except with his (Dodd's) full knowledge under his personal directions and through his actual participation, in a manner and to an extent that demonstrates a willful course of conduct."

Last week Dodd, in an emotional speech, told the Senate that if he deliberately attempted to defraud the government through double-billing, he should be expelled rather than censured.

## Young Ark. GOP National Candidate

By JACK BELL  
AP Political Writer  
OMAHA, Neb. (AP) — Young Republican leaders kept away today from public commitments to potential GOP presidential candidates as they began grappling with the problem of their relationship with senior party leaders.

Although "Reagan in '68" signs made their appearance in the convention headquarters hotel, there was demonstrated reluctance on the part of influential members of the Young Republican National Federation to step up and be counted for any aspirant.

Among the conservatives who have dominated this organization for four years, there was evidence of some developing support for Gov. Ronald Reagan of California as a possible 1968 choice. This represented something of a movement away from former Vice President Richard M. Nixon.

The young moderates, or liberals, supporting Gov. George Romney of Michigan as President Johnson's possible opponent, said privately that the governor doesn't seem to be getting off the ground. Here and there they speculated about Gov. Nelson A. Rockefeller of New York and Sen. Charles H. Percy of Illinois.

There was general agreement that Romney and other aspirants are going to have to demonstrate a winning stance in next year's primaries, including Nebraska's free-for-all, if they expect to bid strongly for the nomination.

The three candidates for election as chairman and retiring Chairman Tom Van Sickle of Kansas agreed in separate interviews that Republicans are looking for a winner and will get behind the national convention's choice without breaking apart into factions if they believe they have a man who can beat Johnson.

The chairmanship candidates, Jack McDonald of Nashville, Tenn., Jim Betts of Cleveland, Ohio, and Ray Cooper of Little Rock, Ark., disclaimed any connection with potential 1968 candidates. All said that the federation ought to get out of the business of trying to promote individuals, as many members did for Barry Goldwater in 1964.

The federation's role in the 1968 campaign is at stake in a proposed constitutional change which would give Ray Bliss, national chairman, a veto over the appointment of its executive secretary, representation on the federation's executive board and a national maximum of 35 on the age of members.

McDonald has some reservations about these changes but Betts and Cooper generally support them.

Peter Kohler of Wisconsin, candidate for treasurer, has said that there is a vacuum on the senior party leadership "and we have to fill it."

Ben Sinclair of Pennsylvania, Kohler's opponent, said he supports Bliss' position that the federation should be a campaign adjunct to the national committee and not try to set Republican policy.

## Blevins Class of 1951 Reunion

## Union Paper Cuts Ties With AFL-CIO

LITTLE ROCK (AP) — The Arkansas Union Labor Bulletin has cut its ties with the AFL-CIO and become an independent labor publication, it was announced in the latest issue of the Bulletin.

An editorial in the Bulletin said "an important union" leader was campaigning to destroy the Bulletin by urging union members to cancel subscriptions.

This was an indication that disunity has developed in the state AFL-CIO, although J. Bill Becker, the organization's president, said the AFL-CIO was "winding up one of the most successful and harmonious conventions in our history."

Neither Becker nor Victor K. Ray, editor and publisher of the Bulletin, would name the union leader who allegedly was trying to destroy the publication. Ray said the AFL-CIO had no financial interest in the Bulletin, but urged its members to subscribe. He said the publication had a circulation of about 9,000.

"Disunity has at times hampered the state AFL-CIO's efforts to represent its members," the Bulletin editorial said. "The Labor Bulletin has sometimes been caught between two factions, but unable to speak out because it was the official publication of the state organization, which itself was paralyzed in the controversy."

The paper can devote itself more effectively to the cause of a larger unity in the Arkansas labor movement as an independent, the editorial said. Ray, referring to the "harmonious" convention mentioned by Becker two weeks ago, said in a Bulletin article that the convention was controlled by "The Pact" in Arkansas labor. He identified this group as the United Steelworkers, the United Auto Workers and the Machinists Union.

He said one of the victories of "The Pact" was the adoption of a rules change prohibiting Odell Smith, president of Teamster's Local 878, from attending meetings of the AFL-CIO Executive Committee in his position as a former president of the state AFL-CIO.

## Dictatorship in Haiti Is in Trouble

NASSAU, the Bahamas (AP) — It was late at night when the Haitian came to see the priest, begging for enough money to return to his homeland and the family he left there.

He had come from Haiti not long before, and told dramatically why he came, and why he wanted to return.

"I did not have work for 10 years before I came here," he said. "Do you know how much money I left my wife and five children for food when I came? Three dollars. Three dollars!"

He broke into sobs. "Haiti is easily the most miserable country in the Western Hemisphere," said the priest, who tells this story to explain the wave of Haitian refugees coming illegally to the Bahamas.

The influx reached such large proportions early this month that the six-month-old government of Prime Minister Lynden O. Pindling began a wholesale roundup of Haitians, deporting at least 1,025 who could not prove that they were

## Singer to Cruise With Kennedy

WASHINGTON (AP) — Singer Andy Williams says he'll be cruising down the Colorado River this summer with Sen. Robert F. Kennedy, D-N.Y., and his family.

Last year Williams' wife, Claudine Longet, joined the Kennedys for a trip down the middle fork of Idaho's Salmon River but he had singing commitments.

This year, said Williams, it will be just the opposite. While he takes the boat trip his wife will be finishing the film, "The Party" in Hollywood, with Peter Sellers.

## Emergency With Police in Detroit

DETROIT (AP) — Mayor Jerome P. Cavanagh flew home from Honolulu today to deal with Detroit's police emergency, still adamant in his stand against an officers' pay raise demand.

The mayor, who cut short his attendance at the U.S. Conference of Mayors, arrived to find the force of more than 4,000 men depleted by sick call-ins and disciplinary suspensions.

As Cavanagh returned, city officials were preparing to go into court Wednesday to demand a permanent injunction against a strike. A temporary restraining order was issued last week.

In an airport interview Cavanagh expressed displeasure with the policemen's union. Cavanagh indicated he was not prepared to say whether the Michigan National Guard would be asked to fill the gap in police ranks.

here legally. Some had been in Nassau for as long as seven years, working at menial jobs and sending part of their salaries home.

They were rounded up so fast that at one point Fox Hill Prison overflowed, and several hundred were kept for several days in an abandoned airplane hangar at Oakes Field Airport, on the outskirts of Nassau.

"It is simply a desperate movement of population," said the priest, who asked not to be identified for political reasons. "There is no employment in Haiti, simply no employment. Seventy to 80 per cent are unemployed. Every Haitian has good reason to fear for his life. There is no security in Haiti."

Talks with a number of Haitians supported the priest's assessment. Talking with Haitians in the Bahamas is difficult, because so many are afraid both of reprisals upon their families in Haiti, and the Bahamian police.

Those who do talk, however, tell of no work, raids in the middle of the night by gangs supported by Haitian President

You won't. He may.

Don't let someone else's passing fancy get you in trouble. Whenever you drive, drive defensively. Always.

Watch out for the other guy.

## Scranton Now on Yale Board

NEW HAVEN, Conn. (AP) — Former Gov. William Scranton of Pennsylvania and Arthur K. Watson, vice president of International Business Machines, will join Yale University's governing board of trustees July 1, University President Kingman Brewster Jr., announced Sunday.

Brewster told more than 3,000 alumni that the university fundraising drive has reached \$3.65 million.

## Some Shower Activity in Arkansas

By THE ASSOCIATED PRESS  
Thundershowers drifted into North Central Arkansas today, dumping welcome amounts of rain. The U.S. Weather Bureau said the thundershower activity will continue through Wednesday.

Another line of thundershowers dropped needed rainfall in the north Delta. Marked Tree received 1.20 inches and Keiser recorded .64.

Harrison collected an inch of rain and other areas in North Central Arkansas received showers.

The bureau said a frontal system in the plains is showing no definite eastward movement, calling for a continuation of the scattered mostly afternoon and evening thundershowers through Wednesday.

Wednesday is the longest day of the year and the first official day of summer.

High temperatures Monday ranged into the 90s topped by a sizzling 99 at Morrilton. Overnight lows were generally in the low 70s.

## Lightning Kills Man

BATESVILLE, Ark. (AP) — Charles Wesley Lewis, 71, a retired farmer and a lifelong resident of the Hill Top community near Cave City, about 14 miles north of here on U.S. 197, was killed Monday when he was struck by lightning while removing clothes from a clothesline during a sudden cloudburst.

## Attorney Says Prisoner Is Threatened

LITTLE ROCK (AP) — James E. Shock of Enola, an attorney who filed a petition in federal District Court Monday asking the court to provide protection for Alfred Sturgeon, 22, an inmate at Tucker Prison Farm, said Sturgeon told him his life had been threatened.

Shock said Sturgeon's mother received a letter from him Saturday in which he said: "Mother, I may not make it out alive the way things is now tonight."

Sturgeon, who is serving a three-year sentence from Pulaski Circuit Court for robbery, filed a petition June 12 in which he called the conditions at Tucker "intolerable." Sturgeon asked the court for relief from the conditions in that petition.

Sturgeon said in the first petition that he had been forced to submit to a homosexual act, and that homosexual activity and robbery by force were common among Tucker inmates.

The first petition named "Arkansas prison authorities" as the defendants. Shock amended the petition Monday and named members of the Arkansas Penitentiary Board, Supt. O. E. Bishop and Assistant Supt. Thomas O. Murton as defendants.

## Guard Finds the Jewels Moved

LONDON (AP) — The yeomen of the guard who traditionally watch over Britain's priceless crown jewels by day suddenly discovered Sunday the jewels had been moved during the night—but only to an underground vault.

Except for a few officials, nobody—including the yeomen—was told of plans to move the jewel-studded crowns, swords, scepters and other precious regalia from Wakefield Tower to the explosives-proof vault, all within the Tower of London's thick walls.

The move took three hours Saturday night while armed police ringed the 11th Century fortress beside the Thames and kept watch on approach roads. The new jewel stronghold will open to the public July 6. It is fitted with the latest electronic alarm devices.

## Obituaries

MISS RUBY LESLIE  
Miss Ruby Leslie, 69, a native of Belton, in North Hempstead, died Monday. She was a former school teacher and medical technician and a member of the New Home Baptist Church. Survivors include a brother, James Leslie of Belton; two sisters, Mrs. Coy Cummings and Miss Margaret Leslie of Magnolia.

Funeral will be at 4 p.m. Tuesday at Latimer Funeral Chapel in Nashville. Burial will be in Belton Cemetery.

LORENZO D. BARNUM  
Lorenzo D. Barnum, 79, longtime resident of Hope, died Monday in a local hospital. He is survived by two sons, Howard L. Barnum of Oklahoma City and Dale E. Barnum of Conroe, Texas; a daughter, Mrs. Refen Zumwalt of Maryland; three brothers, Cath, Paul and Elzo Barnum of Union City, Ohio; two sisters, Mrs. Ida Hatzel of Union City and Mrs. Drulliezel of Union City and Mrs. Drulliezel Hart of Rusking, Fla. Services will be at 10 a.m. Wednesday at First Methodist Church. Burial will be in Memory Gardens by Oakcrest.

CHARLES N. WHITE  
Charles N. White, formerly of this area, was killed yesterday in a car wreck in Arizona. The body will be returned to Hope for burial at 2 p.m. Thursday at Harmond with Oakcrest in charge.

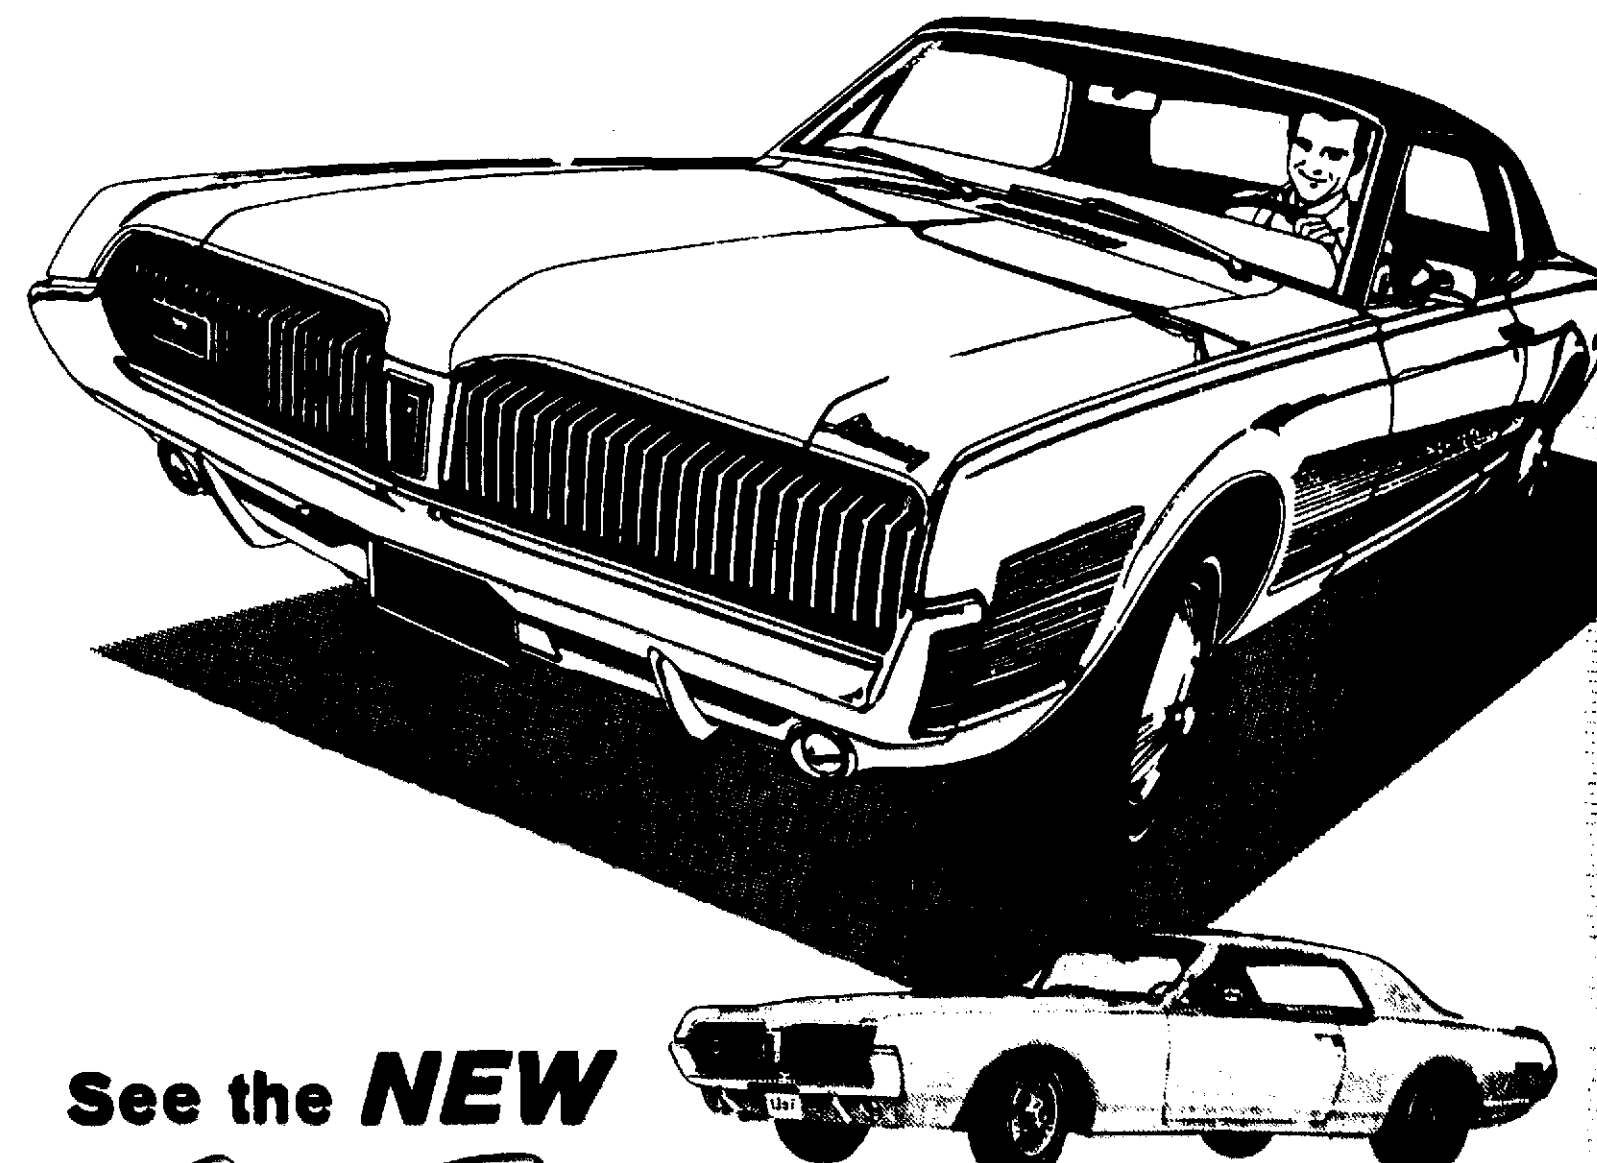

## Would Oust Peace Corps Teachers

By THE ASSOCIATED PRESS  
DAR ES SALAAM, Tanzania (AP) — A study group organized by mainland Tanzania's only political party says U.S. Peace Corps teachers and all other foreign teachers should be sent home and the government should control all schools.

The group urged that the schools teach socialism to overcome "English reactionary ideas." Tanzania was formed by Tanganyika and the island of Zanzibar, both formerly ruled by Britain.

The report also urged abolition of religious instruction in the schools.

By "BILL"

It's vacation time and we could not help thinking what a small world it is, at least so far as traveling is concerned. Everyone and his little dog are on the move and it isn't unusual to have your next door neighbor take off for foreign ports and be back home before you hardly know she has left.

And, on the other hand, when you make a few trips yourself, you realize what a great big, wonderful world it is . . . and you know that if you live to be a hundred you will never get to see all of it.

Regardless of where you may be going, the success of the trip will depend on your having comfortable clothes that look smart and feel right and we have reduced ours 25 percent just in time for you to get your vacation wardrobe — There are all sorts of things like dressy, casual or pant dresses, suits of dacron knits, linen and silk - cotton blends.

Sportswear consisting of shorts (in 4 lengths), tapered pants, skirts, culottes and tops to coordinate or match.

And while you are there pick up an extra bra, slip, hose, sleepwear or gloves. Stock up . . . it is vacation. Let us help you at

Television and Radio

By GENE HANDSAKER

HOLLYWOOD (AP) — South Seas music, please, maestro. Dorothy Lamour is back.

Not, of course, in her famous sarong. That's in the Smithsonian, near another historic display, Lindbergh's Spirit of St. Louis.

But Miss Lamour—tall, willowy, still beautiful at 49—wants to prove something:

"I don't think people in the industry think I can act. I don't say I'm a great actress. But I do say I can act."

Accordingly, she and her husband of 24 years, William Ross Howard III, have sold the Baltimore house where they've lived for eight years.

They're moving back to Hollywood and next September Dorothy starts a 40-week road tour as star of "Hello, Dolly!" A few days ago she guest-starred as an Arabian shiek's daughter on "I Spy." She appeared on Joey Bishop's show and others.

A comeback? Says Miss Lamour: "Let's just say I want to be more active than I have been."

The onetime New Orleans beauty pageant winner, Chicago elevator operator and touring band singer made more than 50 movies. In "The Road to Singapore" and other Hope-Crosby "Road" pictures, the scrap of colored cloth she wore, plus a gardenia in her dark, waist-long hair, stamped her as "the Sarong Girl."

"I was typed mostly as the highest-paid straight woman in the business," she said without

Q—What would cause pain, stiffness and swelling of my fingers? Is there a vaccine for this? When I use the typewriter tapping my fingers helps a little. Is this good treatment?

A—The cause is some form of arthritis—most likely osteoarthritis. Since this is not an infectious disease there is no protective vaccine for it. Taping your fingers to reduce the mobility of the painful points while you type is fine provided you don't tape them so tight you cut down on the circulation. At other times you should move the painful joints to prevent permanent stiffness.

Q—Is it possible to have arthritis of the stomach or the head?

A—No. Arthritis is an inflammation of the joints. Most persons with this disease have no stomach for it. If they have it in the head it would more properly be called arthritis of the jaw.

Q—Will drinking cranberry juice benefit arthritis? If not, is there any food or drink that will? Is it harmful to eat citrus fruits if you have arthritis?

A—No to all three questions. Beneficial results from vinegar, honey, cranberry juice or what have you is a bit of wishful thinking that pops up with a regularity that is amazing in view of the fact that it is groundless. A person with arthritis should, like everybody else, get a well-balanced diet. In addition he should take special care to avoid becoming overweight and thus putting an extra burden on his weight-bearing joints. The other extreme—underweight—should also be avoided to prevent undue fatigue and lowered resistance.

Q—Can taking cortisone or

rancor. "I worked with Cantor, Berle, Skelton. I'd have a line like, 'Look!—and that would plant a joke for them.'"

Eight years ago there were no more movie offers. She wanted to devote more time to her two growing sons. So the family moved to Baltimore, her husband's home. They'll still have an apartment there and commute to his meat-sauce-and-condiment business.

"I love to cook and do things around the house," Dorothy said, "but sometimes the boys would say, 'Hey, dad, we'd better put mom back to work again. She's getting jumpy.'"

"I'd do a night club or hotel and be fine again. I guess I just have to release the ham in me."

Three years ago she forced herself to start doing plays in summer stock. Theater audiences still scare her. But "Dolly" will be "an agony I adore."

She has spread the word to producers of "Bonanza," "Gunsmoke" and other drama series: "Find me a good part, put me in as Dorothy Howard, and I'll prove something."

As she spoke, in a booth at the Brown Derby, admiring women lined up for her autograph.

Kennedys Attend Mass in Ireland

CROOKE, Ireland (AP) — Mrs. John F. Kennedy and her children, Caroline and John Jr., attended Mass Sunday in St. John's church, four miles from their Woodstown House vacation home.

The trio occupied the front bench. The congregation was large but did not fill the church. As she left, Mrs. Kennedy shook hands with some parishioners.

YOUTH ASKED FOR IT!

This column is for young people, their problems and pleasures, their troubles and fun. As with the rest of Helen Help Us!, it welcomes laughs but won't dodge a serious question with a brush off.

Send your teenage questions to YOUTH ASKED FOR IT, care of Helen Help Us! in this newspaper.

DESCRIPTION OF A GIRL-FRIEND

Dear Helen:

This is my answer to "What is a Boyfriend?"

Between the impishness of girlhood and the never-ending patience of motherhood, we find a fragile, delicate, fragrant creature called a girlfriend.

Girlfriends come in special — and in all sorts of — dresses; also slacks, grubby sneakers, goopy face goo, sticky hairspray; but deep within their romantic hearts, they are all alike: "Someone for me waits somewhere in this world — my very own special guy. I know I'll know him when he comes along, by the softness of his voice and the song that will play in my heart."

Girlfriends aren't hard to discover. They can be found nearly everywhere, especially on the phone.

When you are covered with grease, plastered with dirt from eyeball to elbow, they expect a kiss on the cheek, but come over in clean clothes wearing your new after-shave and try to kiss her when she's listening to "Donovan." Then it's "Flake out!" Gee!

When you take her out she's a regular flirt, the most popular gal around. But when you're alone, she's sweet and cuddly, soft and warm. When you expect to see her ready for a date, she comes flying down the stairs her hair all teased, no make-up, a pair of ragged edge jeans, and "You're early!"

No one is more apt to giggle during an exam, cry over a sad movie, chew gum during choir practice, or wave to some boy she doesn't know, but sees passing by.

She adores stuffed animals, butterscotch sundaes, billowy chif-

fon dresses, a satin bow in her hair, new silver-sparkly eyeshadow.

She doesn't really go for washing dishes, digging a garden, walking to a gas station when the gauge reads empty, working on a Saturday night, having to be home at a particular time on a dreamy date.

She has the appetite of a mouse (sometimes), the never-ending energy of a merry-go-round, the ability to talk on the phone for hours, a natural knack for gossiping, the disposition of a kitten and a heart as tender as a newborn babe's.

No one but a girl can parade all over the house with a facial mask plastered on her face, gigantic curlers in her meticulously scrubbed and treated hair, barefooted, in ragged, faded, crummy jeans, baggy limp sweatshirt, and come out looking as natural and fresh as a rose.

Only a girl can stuff in a clutch purse: this world — my very own special guy. I know I'll know him when he comes along, by the softness of his voice and the song that will play in my heart."

When you are covered with grease, plastered with dirt from eyeball to elbow, they expect a kiss on the cheek, but come over in clean clothes wearing your new after-shave and try to kiss her when she's listening to "Donovan." Then it's "Flake out!" Gee!

When you take her out she's a regular flirt, the most popular gal around. But when you're alone, she's sweet and cuddly, soft and warm. When you expect to see her ready for a date, she comes flying down the stairs her hair all teased, no make-up, a pair of ragged edge jeans, and "You're early!"

No one is more apt to giggle during an exam, cry over a sad movie, chew gum during choir practice, or wave to some boy she doesn't know, but sees passing by.

She adores stuffed animals, butterscotch sundaes, billowy chif-

ton dresses, a satin bow in her hair, new silver-sparkly eyeshadow.

She doesn't really go for washing dishes, digging a garden, walking to a gas station when the gauge reads empty, working on a Saturday night, having to be home at a particular time on a dreamy date.

She has the appetite of a mouse (sometimes), the never-ending energy of a merry-go-round, the ability to talk on the phone for hours, a natural knack for gossiping, the disposition of a kitten and a heart as tender as a newborn babe's.

No one but a girl can parade all over the house with a facial mask plastered on her face, gigantic curlers in her meticulously scrubbed and treated hair, barefooted, in ragged, faded, crummy jeans, baggy limp sweatshirt, and come out looking as natural and fresh as a rose.

Only a girl can stuff in a clutch purse: this world — my very own special guy. I know I'll know him when he comes along, by the softness of his voice and the song that will play in my heart."

Girlfriends aren't hard to discover. They can be found nearly everywhere, especially on the phone.

## Jury Picked for Trial of Cassius Clay

### Fights Last Night

By THE ASSOCIATED PRESS  
WALPOLE, Mass. — Miguel Barreto, 145, New York, outpointed Dave Dittmar, 144, White Plains, N.Y., 8; Danny Perez, 154, Springfield, Mass., outpointed Dave Atkins, 150, Cincinnati, 8.

AUCKLAND, New Zealand — Bobby Dunlop, 171, New Zealand, outpointed Bobby Stintina, 174, San Francisco, 10.

LONDON — John McCormack, 171, Dublin, stopped Eddie Avoth, 172, Wles, 7; McCormack won British light-heavyweight title.

LAS VEGAS — Adolph Pruitt, 140, Los Angeles, stopped Lavel Franklin, 137, Oakland, Calif., 5.

CARACAS, Venezuela — Rene Barrientos, Philippines, 129, outpointed Francisco Boliver, 128, Venezuela, 10.

Selection of the panel from a pool of 84 prospective jurors consumed the first day of a trial that lawyers for both sides had promised would be swift.

Lawyers for Clay spent Monday afternoon quizzing the jury pool about their opinions on the war and on Clay's religion. The 25-year-old fighter is claiming that as Black Muslim minister Muhammad Ali, he is draft-exempt as are other men of the cloth.

In the courtroom, a sullen Clay swirled in his chair, dangling his arms to the floor, and consulted with lawyers Hayden Covington of New York and Quinnan Hodges of Houston on the exercise of the defense's six challenges against jurors.

U.S. Atty. Morton L. Susman, directing the four-man prosecution team, readied four witnesses for the morning session in the court of U.S. Dist. Judge Joe Ingraham. One is legal officer for Texas Selective Service state headquarters and the other three, officers in the Houston Armed Forces Examining and Entrance Station where Clay refused the oath April 28.

The trial was to resume at 10 a.m. EDT.

If Clay is convicted, he could get five years in prison, a fine up to \$10,000 or both.

As Monday's jury selection tumbled outside, Clay lounged in the hallway outside Ingraham's small courtroom.

Two prospective jurors were "reprimanded" by Judge Ingraham for seeking Clay's autograph in the corridor during a recess. Another venireman's comment on his opinion of Clay's guilt or innocence prompted a mistrial motion which was denied by the judge.

Eleven members of the jury pool stood up when Ingraham asked who among them were ministers or officers of a church or religious organization.

Covington asked each if Clay's status as a Muslim minister would affect their impartiality, and each said no. Two, a deacon in the Disciples of Christ Church and a deacon in the Lutheran Church, were admitted to the jury.

Susman objected to Covington's reference to Clay as a Muslim minister in his questioning of the veniremen, but the objection was overruled.

The jury selection took so long because the same pool was used to supply jurors for a trial in another federal court. Of those remaining for the Clay case, 11 were Negroes and several were questioned before the challenges were exercised.

Susman said all six prosecution challenges were used, but refused to say whether any were used against Negroes.

Likewise, the defense used all 10 challenges in the proceedings, which were conducted at the bench in murmurs inaudible to the row of 16 newsmen occupying assigned seats.

## Broyles Host to Coaches at Tourney

CHEROKEE VILLAGE, Ark. (AP) — Participants in the third annual Cherokee Village Coaches Invitational Golf tournament will get in their final warmup links Tuesday.

The tournament gets underway Wednesday with a field that includes many of the top college football coaches in the country.

Defending champion J.T. King of Texas Tech arrived Monday, along with a few others, and said he wanted "to get the jump on all of this year's challengers."

King, edged Frank Broyles of the University of Arkansas for the title last year. Broyles and golfing partner Darrell Royal of the University of Texas were among those that tuned up Monday.

Gene Stallings of Texas A&M and Paul "Bear" Bryant also warmed up Monday over the par 72 layout. The coaches will play 72 holes both Wednesday and Thursday.

Both nines play to a par 36, but the front nine is considered far more demanding, with the premium placed on position.

Six of the head coaches in the Southwest Conference have accepted invitations to compete in the event. Fred Taylor of TCU and John Bridges of Baylor are in the field, along with Broyles, King, Stallings and Royal.

Others who have accepted invitations include: Charles McClendon of LSU, Doug Dickey of Tennessee, Johnny Vaught of Ole Miss, Chuck Fairbanks of Oklahoma, Bob Devaney of Nebraska, Pepper Rodgers of Kansas, Eddie Crowder of Colorado, Ara Parsegian of Notre Dame, Bill Pace of Vanderbilt, Jim Pittman of Tulane, Paul Davis of Auburn, Glenn Dobbbs of Tulsa, Billy Murphy of Memphis State, Tom Harp of Duke, Johnny McKay of Southern California, Murray Warmath of Minnesota, Charles Bradshaw of Kentucky and Benny Ellender of Arkansas State University.

## Couple Completes World Cruise

MONTEREY, Calif. (AP) — A Salinas schoolteacher and his wife are back home after a three-year trip around the world in their 20-foot yawl.

The couple set sail June 22, 1964.

"The greatest thing for us was to be able to go around the world and not be tourists," said 37-year-old Clifford Cain, a former fifth-grade teacher in Salinas, 20 miles east of Monterey.

His wife Marian, 37, commented, "The greatest thing for me will be living in a house with plumbing and electricity."

Both stayed in good health throughout the journey to Hawaii, Samoa, Australia, around South Africa, across the Atlantic and through the Panama Canal.

## Little Bloop Single Wins for Pirates

By DICK COUCH  
Associated Press Sports Writer  
The harder Matty Alou attacks a baseball, the more it bleeds.

Alou, the National League's 155-pound battling king, butchered the Chicago Cubs with a run-scoring, bloop single in the seventh inning that carried the Pittsburgh Pirates to a 4-3 victory Monday night.

The Little Dominican's third single in the game gave him 12 hits in his last 15 at bats and an impressive .317 average for the season.

"I don't think anytime in my career I have ever been hitting the ball as hard," said Alou, who led the league with a .342 mark last season but was under .280 when he began his rampage last Friday night with an eighth inning double at Philadelphia.

He went 4-for-5 against the Phils on Saturday, 4-for-5 again on Sunday and 3-for-4 against the Cubs at Pittsburgh. Two of his 10 singles during the spree have been bunts and four have been infield taps.

But the biggest hit was the looping fly that fell just beyond second baseman Don Kessinger's reach to snap a 3-3 deadlock Monday night.

While Alou was gouging the Cubs, light-hitting Dick Schofield of Los Angeles overpowered Atlanta 3-2, surprising Julo Gotay of Houston wasted five straight hits in a 5-4 11-inning loss to league-leading St. Louis and San Francisco whipped Cincinnati 6-3 despite a pair of homers by Don Pavletich. Philadelphia and the New York Mets were idle.

Cleveland swept an American League doubleheader from Kansas City 4-2 and 2-1; Detroit trimmed California 5-1 after losing its twin bill opener 2-0 and Baltimore split a pair with Minnesota, winning the nightcap 9-5 after bowing 4-0. Boston and New York were rained out.

Bill Mazeroski, whose two-run single capped a three-run Pittsburgh burst in the first inning, reached first on third baseman Ron Santo's error to start the seventh. He took second on a single by Jerry May and scored the go-ahead run on Alou's two-out bleeper.

"I wasn't trying to chip it," Alou said. "I was trying to hit it as hard as I could."

Alou's hit enabled southpaw Bob Veale to gain his eighth victory against two losses, with relief help from Al McBean.

Schofield, a .229 lifetime hitter, clubbed a third inning homer — his first in two years — and then stroked two singles, the second one breaking a 2-2 tie with two out in the ninth.

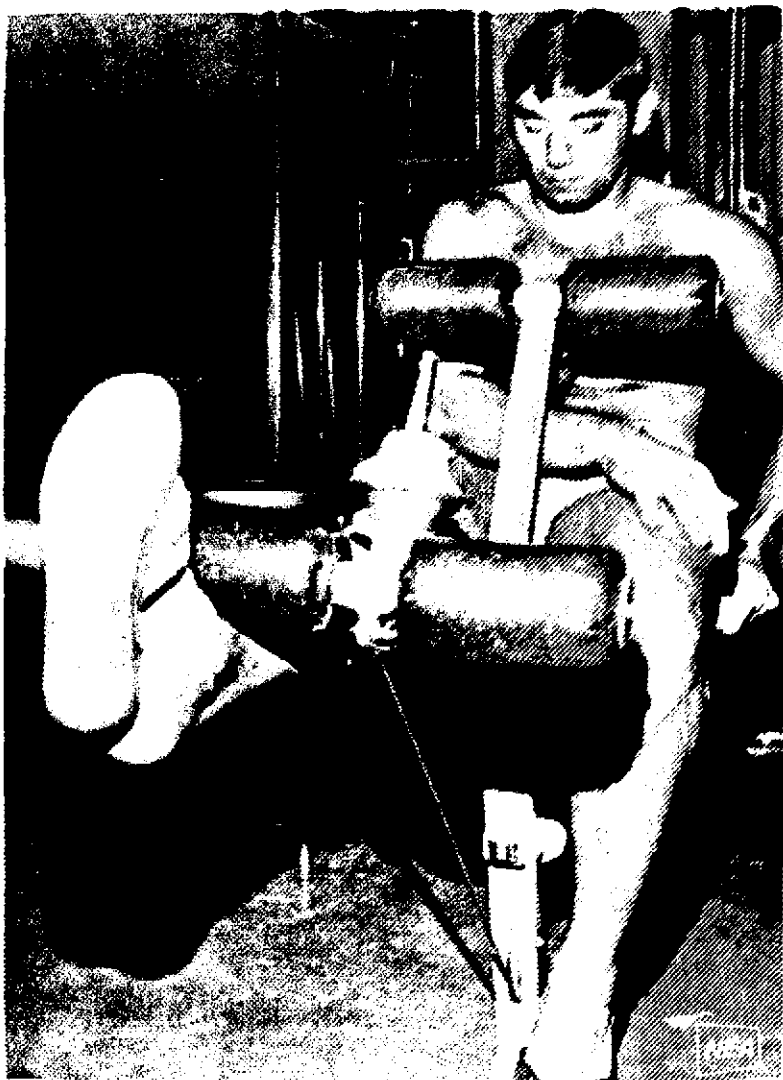

Reliever Dick Kelley walked Jim Lefebvre and pinch hitter Jim Hickman before Schofield's bouncer barely eluded shortstop Denis Menke for the winning hit.

Right-hander Don Sutton yielded seven hits and earned his fourth victory against eight setbacks as the Dodgers won for the fifth time in their last six starts.

Roger Maris' run-scoring double in the 11th lifted the Cardinals past Houston and nullified the efforts of Gotay, finished the night with a carryover string of six straight hits.

Gotay, called up by the Astros two weeks ago after a three-year vigil in the minors, drilled a triple, double and two singles before driving in the tying run in the ninth with an infield hit. He has hit .384 in 19 games as a second base sub for Joe Morgan, who was doing an Army stint.

"They say I'm just up for two weeks," said the former St. Louis Cardinal.

WEIGHTY PROBLEMS don't bother New York Jets quarterback Joe Namath. Namath, who had an operation on his right knee recently, strengthens it by lifting weights.

## Travelers Defeated by Sun Kings

EL PASO, Tex. (AP) — Wally Wolf chalked up his sixth victory of the season here Monday night, scattering nine hits over nine innings as the El Paso Sun Kings defeated Arkansas 7-2 in the opening game of their Texas League baseball series.

Wolf fanned eight batters and didn't permit a single walk in handling left-hander Danny Jaster his first defeat against one victory.

A two-run homer by Tom Egan topped a four-hit, four-run El Paso surge in the fourth inning, which also saw a single by Jarvis Tatum, a double by Don Wilkinson and a triple by Lee Rodriguez.

Rodriguez added a solo homer in the sixth inning.

Two hits and an error gave Arkansas an unearned run in the third inning, and the Travelers put together three hits in the ninth for their second tally.

The victory pulled El Paso within a half game of Amarillo, which trails league-leading Amarillo by two games.

In other Texas League action, Amarillo downed Austin 6-3 in an 11-inning affair, and Dallas-Fort Worth shelled Albuquerque 10-4.

The Travelers are at El Paso again tonight, while Amarillo remains at Austin and Dallas-Fort Worth is at Albuquerque.

Arkansas 001 000 001-2 9 0

Max Elbin of Washington, D.C., president of the PGA, insists the players' demands are unrealistic and adds: "We cannot give in on all of these points and keep our position."

Gardner Dickinson, a member of the four-man tournament committee, said he did not know how many players would attend the PGA meeting.

"We have asked the PGA officials to meet with us to hear our side and they have refused," Dickinson said. "We might as well demand that all the 5,800 club professionals get together and listen to our side."

The PGA is composed of more than 5,800 professionals, of which only about 200 are playing members.

For years the playing pros have said the PGA has too much authority in running the tour and that the players themselves do not have a strong enough voice.

Essentially they are demanding elimination of the executive committee's veto power in all policy decisions and the right of the players to schedule tournaments, conduct television contracts and hire and fire tournament personnel.

The PGA says the players, in essence, have these rights now, although the tournament program is run out of the PGA headquarters in Palm Beach Gardens, Fla., with Creasy as the director.

Dickinson said most of the players preferred to remain in the PGA, but felt they had a right to run the tour. "It is our show," Dickinson said. "We don't think the club professionals should tell us how to run it."

Some new laws are more useful. For the first time, a number of states will re-

quire life preservers on small rowboats and sailboats as well as larger power craft. Legislators have noticed that it's possible to fall off almost any sized boat. And though Coast Guard safety rules don't demand one, more waterways are requiring boats to carry that sea-going emergency brake—an anchor.

Also added are a rear-view mirror for water-ski tow boats and a guard rail around the bow for skippers who let passengers ride recklessly on the foredeck.

Another law now makes it illegal for a runabout or catboat to cut off a steamer just to prove who has the right of way.

Many states want a sensible plaque in every boat that states how many passengers and horses-of-power are safe aboard. But then they want to sell every owner a driver's license as well, though a piece of paper may not control reckless drivers on the water any better than it does on highways.

The latest legal trend is to pick on kids under 14, though statistics don't show they cause the accidents. Tom Sawyer couldn't be trusted today in a lot of states. He and Huck would be rated too young to go near the water.

## Kansas City Wins Pair From Indians

By RON RAPOPORT  
Associated Press Sports Writer

There were almost as many medical communiques as baseball reports coming out of American League ballparks Monday night, and the immediate conclusion might be that the age of the Iron Man isn't over yet.

Rick Monday, Earl Battey and Bill Skowron all seemed out to prove that it takes more than a cut or a knock to get a fellow out of the ball game.

Monday injured his left foot in the first game of Kansas City's twin-night doubleheader with Cleveland but didn't leave for X rays until the second game. The Indians won both contests, 4-2 and 2-1.

Battey was bounced around in a collision at the plate with big Boog Powell of the Orioles as the Twins split a twin-nighter, winning the first game 4-0 and losing the second 9-5. But the Minnesota catcher didn't leave the game until the next inning.

And Skowron, playing only a week after being spiked in the hand while sliding home a week ago, reopened the cut while batting in the eighth inning of the first game of the Angels' doubleheader with Detroit. California won the opener 2-0 and the Tigers took the nightcap 5-1.

New York and Boston were rained out. Washington and Chicago were not scheduled.

In the National League, San Francisco beat Cincinnati 6-3, Pittsburgh edged Chicago 4-3, St. Louis outlasted Houston 5-4 in 10 innings and Los Angeles edged Atlanta 3-2. Philadelphia and New York were idle.

Monday bounced a foul tip off his foot in the fourth inning of the first game, but not until the fourth inning of the finale did he leave the line-up for a quick trip to the hospital for a check-up.

Apparently, there were no great problems because the Athletics' outfielder left soon after X rays were taken.

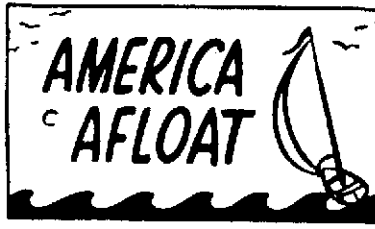

Battey was on the receiving end of Powell's 240 pounds when the Oriole first baseman got caught in a rundown on a missed squeeze bunt attempt. Boog was finally tagged out, but he jammed Battey's arm in the process. Earl left for a pinch hitter the next inning.

Skowron needed 20 stitches to close up his reopened wound, suffered as he fled out in the eighth inning.

The Indians won the first game on pitcher Steve Fargan's two-run homer—is first extra-base hit in the majors—with two out in the ninth. Don Demeter's pinch homer and Fred Whitfield's run-scoring single gave the Tribe the nightcap.

Dave Boswell set the Orioles down on just three hits in the opener as the Twins scored twice on Tony Oliva's homer and twice on Zolito Versailles single. The Birds mounted a 15-hit attack in the second game, led by Paul Blair's two singles, double and triple.

Rick Reichardt's homer accounted for the only runs in the California-Detroit opener as Clyde Wright and Minnie Rojas combined to stop the Tigers on six hits. In the second game Denny McLain gave up just four hits and struck out 12 while Don Wert drove in two runs for the Tigers.

By W. TAYLOR MCKEOWN  
Newspaper Enterprise Assn.

Showers of new waterway laws have been flooding like flotsam into legislative hoppers, meaning spring boating can't be far behind.

Something about eight million pleasure craft setting sail seems to challenge many lawmakers.

"Some laws make some sense," Capt. Bill Warm of the Marine Office of America notes. Warm's job is to travel the country looking at boats to see if they are safe enough to insure, or likely to blow up as soon as policy papers are signed.

A few boat builders, he reports, install fuel systems as if they were building cars. After the boat bumps over the waves, a gasoline line may start squirting gas on the engine instead of into it.

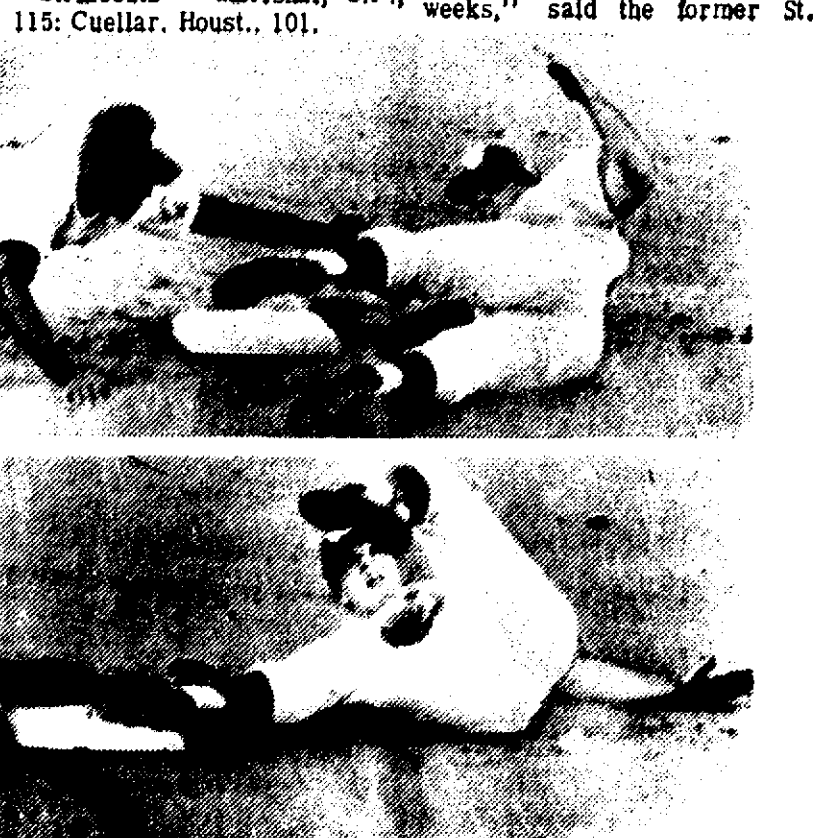

Warm would like to see requirements for better building techniques.

But some laws he finds silly. "A harbor may be polluted," he says, "by a dozen factories ashore. So a law is passed to regulate a dozen yachts that sail the harbor, blaming them for fouling the water. Or local ordinances decide just when the fish will bite and they can keep all water-ski craft ashore."

Some new laws are more useful. For the first time, a number of states will re-

FINE ART OF SLIDING is demonstrated three different ways by three different players. From left, Don Lock of the Philadelphia Phillies, Ted Savage of the Chicago Cubs and Pete Rose of the Cincinnati Reds. The objective was the same but Lock ran into the old stone wall and was out while Savage and Rose reached base safely.

## Carmichael in Center of Trouble

By THE ASSOCIATED PRESS

Crowds of rock-throwing Negroes swarmed into the streets of a shopping center in a Negro neighborhood of Atlanta, Ga., Monday night despite advice from black power advocate Stokely Carmichael to "play it cool."

He spoke to the crowd at a nearby church and said police have "got us surrounded to night, so we'll just walk around and play it cool."

However, the group of about 350, mostly teen-agers, rushed into the shopping center area and began to throw rocks and bottles at store fronts and police cars.

It was the third straight night of violence in the area. Police finally restored order by firing shotguns and pistols into the air. Some climbed to the roofs of the stores to keep better watch on the demonstrators.

At least two persons were injured, including John Casserly, American Broadcasting Co. newsman, and eight were arrested.

Carmichael was not spotted in the demonstration after his speech at the church. He had been arrested Sunday night in a similar outbreak and is free on \$50 bond pending a court hearing Thursday.

A group of 250 to 300 Negroes in Montgomery, Ala., also participated in rock and bottle throwing when a march on the state Capitol was halted by police.

City Attorney Ira DeMent estimated 12 were arrested before order was restored. One of those arrested was the Rev. Richard Boone, a Southern Christian Leadership Conference staff worker who had led several marches in the past week. He was charged with interfering with an arrest.

The windows of a car belonging to a radio newsmen were smashed and the top slashed. Rocks were reported thrown at the residence of Police Commissioner L. B. Sullivan.

Officers were assigned to patrol the homes of Mayor Earl James and the two city commissioners to prevent possible attacks.

Elsewhere on the racial scene, Dr. Martin Luther King Jr. expressed belief Monday that "it is necessary to disobey unjust laws because noncooperation with evil is as much a moral obligation as is cooperation with good."

Appearing on the NBC "Today" show, King said a man expressed "the highest respect for law" if he breaks a law his conscience says is unjust and willingly accepts the penalty.

In Tampa, Fla., Gov. Claude Kirk said cities across the nation could use the plan adopted in Florida's second largest city to curb racial unrest. That technique involved the organization of a volunteer youth patrol, wearing white helmets, which restored peace in Negro neighborhoods after three nights of burning and looting.

Several school plans in the District of Columbia were struck down Monday by U.S. Circuit Judge J. Skelly Wright. He ruled the government, rather than parents, must provide transportation for pupils choosing schools outside their neighborhoods.

Like giraffes, elephants sleep only a couple of hours a night.

## Prospects for Meet LBJ, Kosygin Fade

By LEWIS GULICK

UNITED NATIONS (AP) — Prospects for a U.S.-Soviet summit meeting were fading fast today after Premier Alexei N. Kosygin reportedly turned down an invitation from President Johnson to come to Washington.

Administration officials in Washington said Kosygin sent word to Johnson that he had come to the United States for the U.N.'s emergency session on the Middle East and not for the purpose of visiting American authorities.

Kosygin's message, sent through diplomatic channels, said the Soviet chief therefore was unable at this time to accept Johnson's offer to meet at the U.S. capital or a nearby place like Camp David, Md., White Sulphur Springs or Hot Springs, Va., the U.S. officials said.

This still left the way open for a summit site elsewhere and Johnson's invitation presumably still stood. But with Johnson preferring not to journey to the United Nations area to call on Kosygin, and Kosygin preferring not to leave it, the outlook for their meeting diminished as time grew short.

The Soviet leader arrived in New York Saturday morning and had been expected to stay through next weekend. Now there are reports he may return to Moscow in a couple of days.

Secretary of State Dean Rusk arrived Monday night with the avowed purpose of meeting with the various foreign dignitaries attending the U.N. General Assembly's special session.

Rusk had no appointments immediately in sight today. If Kosygin does depart shortly, he may leave Foreign Minister Andrei A. Gromyko behind for talks with Rusk and others. Rusk-Gromyko discussions have been a regular feature during assembly sessions.

The U.S. ambassador to Moscow, Llewellyn Thompson, was said to have come to New York unannounced late Sunday to work on possible summit arrangements through Anatoly F. Dobrynin, the Soviet ambassador to Washington who is here with Kosygin.

Prior to Kosygin's reply, U.S. authorities generally had assumed arrangements for a Johnson-Kosygin get-together would be worked out although no definite time and place had been set.

They considered it most unlikely that the heads of the world's two greatest powers would miss this unusual opportunity to at least exchange views on items of common interest ranging from the Middle East crisis to Vietnam and disarmament.

Johnson and Kosygin have never met face-to-face. But other factors—mainly linked to prestige and tactics—have been keeping them apart.

Kosygin from the start has conducted his trip as a visit to the United Nations as an international meeting place, not as a journey to America. He is leading the Soviet drive to woo the Arabs by pushing for U.N. condemnation of Israel.

U.S. officials believe Kosygin is against appearing too chummy with Johnson, whom the Arabs accuse of siding with Israel in the war. He would probably receive Johnson in the U.N.-New York area but would not make a trek to Washington, they say.

For his part, Johnson has been against appearing to make a pilgrimage to Kosygin, who has been lashing out against the United States as well as Israel.

## Spa Man Faces Rape Charge

By THE ASSOCIATED PRESS

HOT SPRINGS, Ark. (AP)—Ben Hamilton, 42, of Hot Springs, was charged Saturday with two counts of rape involving two 10-year-old girls, one June 10 and the other Saturday, both at Hot Springs.

Hamilton was charged Saturday with two counts of rape involving two 10-year-old girls, one June 10 and the other Saturday, both at Hot Springs.

## Bob Thomas at the Movies

HOLLYWOOD (AP) — Jules Stein confessed to the press conference that he hadn't told his wife about the plan he was announcing.

"I promised her after I set up the Eye Institute at UCLA I would take it easy," said the 73-year-old millionaire. But here he was embarking on a huge new project.

At a conference attended by leaders of the film industry last week, Stein disclosed a bold plan to help finance the Motion Picture Relief Fund. Universal Pictures will film a major movie with the cooperation of the guilds and unions, and all of the profits will go to the fund, which has been conducting a \$40-million drive for building an endowment.

"I feel good about our chances to reach our \$40-million goal," declared Gregory Peck, chairman of the fund drive committee.

"Our thanks will go to Mr. Stein, a creative philanthropist."

Stein is the eye doctor from South Bend, Ind., whose sideline of booking dance bands led to his creation of the Music Corp. of America. He powered the company to top rank as an agency for film stars, then became a film industry power by taking over Universal Studio.

He has a faculty for making money for charity, as well as MCA.

"I felt after speaking to Greg Peck that there might be a simple way to produce a large amount of money for the relief fund," Stein explained. "We had done it before in setting up the films 'Stage Door Canteen' and 'Hollywood Canteen.' The productions raised millions of dollars for use in entertaining servicemen during World War II."

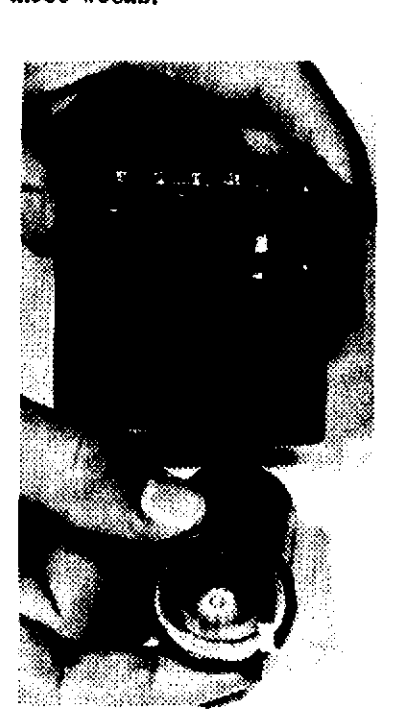

His new plan would also be an all-star movie. The budget would be a minimum of \$3.5 million — "but it might be two or three times that amount if we felt the film warranted it." The aim is at a roadshow movie of two to three hours in length, and Stein mentioned that the story line might be like "Around the World in 80 Days" or "If I Had a Million," both of them episodic with a myriad of stars.

## British Navy Is Renting a Boat

LONDON (AP) — Britain's Royal Navy, once the world's biggest, is renting a boat for the next three weeks to keep its fleet of two fast patrol boats up to strength.

One of the navy's 99-foot patrol boats, Barve Swordsman, is going in for an overhaul. To keep the fleet from being slashed in half, the navy hired a 7-year-old patrol boat from a shipbuilder.

A navy crew boarded her, read a warrant of commission, hoisted the white ensign, and the rented boat became Her Majesty's Ferocity—for the next three weeks.

BATTLEFIELD ALARM can be worn on a soldier's belt and warn him of an enemy's approach. The device consists of a flashlight battery, buzzer and signal light activated when a thin wire laid around a man's position is broken. Six ounces or less of pressure is sufficient. The alarm is being tested at the Army Electronic Proving Ground at Fort Huachuca, Ariz.

## The Negro Community

By Ester Hicks  
Phone 4678 PR 4474

THE NEGRO COMMUNITY THOUGHT FOR THE DAY To impress others we must be earnest; to amuse them, it is only necessary to be kindly and fanciful.—Tuckerman said it.

CALENDAR OF EVENTS All princes of S.T. Boyd Consistory are asked to be present at Masonic Hall in Washington, June 22nd, at 8:00 p.m.

All Prince Hall Masons and Eastern Stars will observe their 10th annual St. John's Day with Pine Leaf Lodge No. 271, at Macedonia Baptist Church Sunday, June 25th, at 3:00 p.m. The public is invited. Rev. Luther Henry of Gurdon, Arkansas will preach, W.S. Williamson, secretary.

Sunday, June 25th is Youth Day at Bethel A.M.E. Church. They will have charge of services all day. There will be a guest speaker at the 11:00 a.m. service, and at 3:00 p.m., a panel will be the feature. The public is invited. Rev. J.E. Hughes, Pastor.

COMING AND GOING Mr. and Mrs. Wayne Norwood had as weekend guests his sister, Mrs. Nora Williams of Morningsport, Louisiana, and their daughter, Mrs. Reola Berryman and children of Little Rock.

Mr. and Mrs. Buster Perry of Dardanelle, Arkansas spent Father's day with their parents, Mr. and Mrs. Nas Ivory. Also spending the day with the Ivories were his three great, great grand nephews, Clyde, Verdel, and Roland Duncan of Arkadelphia.

France's Rance River estuary has tides with an average 28 feet of rise and fall.

## 100 Kin in \$100 Million Estate Fight

SARITA, Tex. (AP) — Sitting on dusty folding chairs beneath a forbidding oil portrait of the late cattle and oil baron, Capt. Milfin Kenedy, 100 Kenedy descendants crowded into Kenedy County courthouse Monday to begin a summer-long fight over a \$300-million estate.

The hearing is scheduled to run through September. At stake is the 200,000-acre holdings of Sarita Kenedy East, a granddaughter of Milfin Kenedy. Her last will brought a middle-aged Trappist monk into a hassle over some of the Kenedy millions.

The tangled estate of Mrs. East has been the subject of mountains of litigation since she died of cancer, Feb. 22, 1961, at the age of 71. With her at death was Christopher Gregory, 50, formerly "Brother Leo" in a Catholic order.

Some 100 relatives of Mrs. East are challenging a 1960 will. They charged in court Monday that the will was written when she was under influence by Gregory. Attorney William Wright of Laredo, Tex., said Gregory and shipping executive J. Peter Grace of New York "conspired" to get Mrs. East to draw up the will.

Mrs. East's holdings were valued by the federal government at \$29 million for tax purposes. The discovery of a vast pool of oil and gas beneath her part of the La Parra Ranch built up by Capt. Kenedy more than a century ago, boosted that estimate to around \$300 million.

The case is being heard by special Probate Judge William R. Edwards, a Corpus Christi attorney.

La Parra borders on the King Ranch. Capt. Kenedy and Richard King once were partners before each carved out a kingdom from the South Texas coastal plains.

Sarita Kenedy East became a widow in 1944. A few months after her husband's death she wrote the first of three wills, leaving various amounts to relatives, a Catholic religious order and charitable institutions.

A second will named two of her first cousins to share her interest in La Parra Ranch.

After the second will was made Christopher Gregory, son of a Western novelist, came into the picture.

As Brother Leo, Gregory had joined the Trappist order in 1938 and worked as a cobbler in a monastery at Spencer, Mass. After World War II Brother Leo was selected to venture forth and raise funds for additional lands and buildings for similar monasteries.

He visited La Parra in 1948. In the late 1950s he introduced Mrs. East to another benefactor of the Trappist order, Grace, president of W. R. Grace and Co. Mrs. East, then 70, opened a checking account at Grace National Bank and Brother Leo was given power of attorney to draw on hundreds of thousands of dollars there for expansion of the Trappist order.

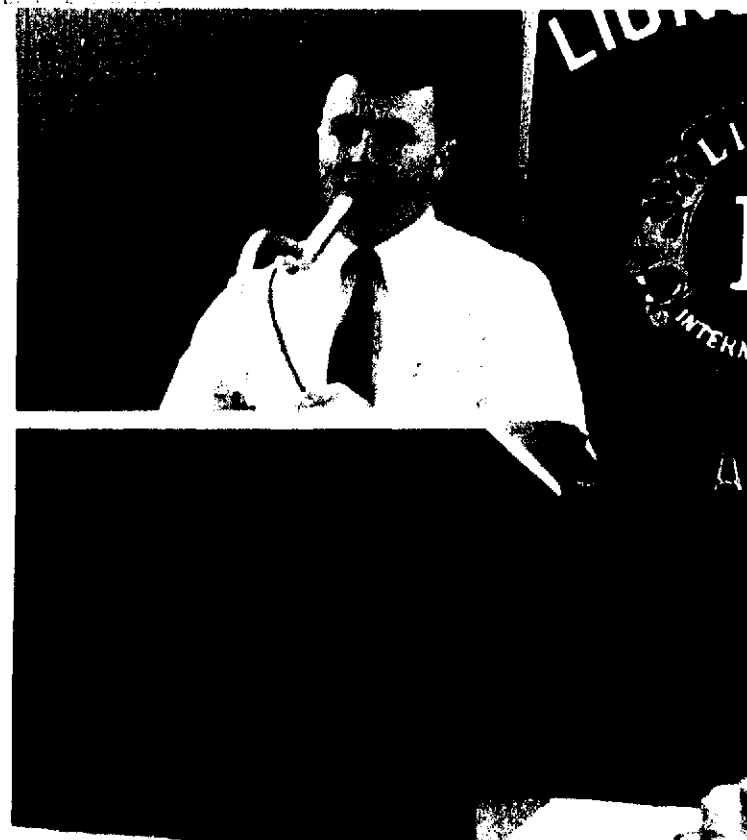

Mrs. East became ill with cancer while traveling in South America with Brother Leo, by then her religious adviser, traveling companion and sometime secretary. She died Feb. 11, 1961.

A 26-volume deposition has been taken from Christopher Gregory, who was expelled from the Trappist order in January 1966.

## New Choice for Warsaw Pact

By THE ASSOCIATED PRESS

MOSCOW (AP) — Marshal Ivan I. Yakubovsky, appears the likely choice to become the next commander of the Warsaw Pact forces of East Europe.

Yakubovsky, one of the Soviet Union's rising military leaders, is expected to replace Marshal Andrei A. Grechko, the new Soviet defense minister, in the job.

An official announcement Monday said Yakubovsky, 54, directed maneuvers involving Soviet, Czechoslovak and Hungarian troops June 14-19 in Czechoslovakia and Hungary.

The ceremony Monday was performed in the hospital room where Sabin, 60, is recovering from injuries suffered when a pet dog badly bit his left ankle.

He said they planned a six-week honeymoon-business trip to Israel, Switzerland and South America providing that the ankle does not require skin grafts.

Dr. Sabin's first wife died last year. His new wife recently divorced Marvin Warner, Cincinnati real estate developer.

## WORLD ALMANAC FACTS

Kite flying is at least 2,500 years old, says The World Almanac. Men first built kites in Asia and were very likely inspired by birds or leaves slowly descending to the ground. Oriental kites are often in the shape of fish, dragons, birds and even people.

## WIN AT BRIDGE

### Covering Honor Often Problem

By Oswald & James Jacoby  
Newspaper Enterprise Assn.

There is an old rule that you should cover an honor with an honor. One of the commonest of defensive mistakes is to follow this rule blindly. Sometimes this is a really tough problem. On other occasions you should know the correct play. Thus, when you hold just two cards in the suit your normal play is to cover. If you don't you may have to play your honor on a low card and gain no benefit from it at all. Sometimes it even pays to play your honor when a low card is led. We remember a defensive play made some years ago by Charles Lochridge of New York.

Charley is one of our fast players. When he is on defense he sizes up the whole situation at a glance and is ready to play each card as if it were the only one in his hand.

South took a moment to look over dummy before winning the diamond lead. Then South played dummy's deuce of spades. Charley had analyzed the hand completely by this time and had seen that there could be no real defense provided South had his bids. If South held six spades to the king the ten spot play would be hopeless. South

Greenlee and Rose Greenlee, His Wife, Connie Greenlee Bartine, Verna Greenlee Freeman, Mavis Greenlee, George Ann Greenlee Billingsley, Judy Greenlee, Charles Alvin Greenlee and Barbara Jane Giffin Greenlee, His Wife, Plaintiffs, vs. Audra Pauline Greenlee, Defendant. No. 9196

## NOTICE OF SALE OF REAL ESTATE FOR PARTITION

Notice is hereby given that the undersigned, as Commissioner in Chancery, will on the 18th day of July, 1967, A.D., at 2 o'clock p.m. offer for sale at the East Door of the Hempstead County, Arkansas, Courthouse in the City of Hope at public auction to the highest bidder, upon a credit of ninety (90) days, the following described lands belonging to the parties listed above as plaintiffs and defendant, to-wit:

The South one-half (1/2) of Lots No. 10, 11 and 12 in Block 13, Frisco Addition to the City of Hope, Hempstead County, Arkansas. (408 North McRae Street)

Said sale is made for the purpose of partition, and purchasers at such sale will be required to give note with approved security for the purchase price.

Dated this 16 day of June, 1967, A.D.

Jim Cole  
Commissioner in Chancery

June 20, 27, 1967

## LEGAL NOTICE

In the Chancery Court of Hempstead County, Arkansas - L. A. Foster (Plaintiff) vs. No. 9135 - Minnie Scott, et al (Defendants).

## NOTICE OF SALE

Notice is hereby given that the undersigned, Commissioner in Chancery, pursuant to the Order of the Chancery Court of Hempstead County, Arkansas, rendered on the 1st day of June, 1967, in a cause therein pending wherein L. A. Foster is plaintiff and Minnie Scott, et al, are defendants, will on the 28th day of June, 1967, offer for sale at public auction, at the East door of the Courthouse in the City of Hope, Arkansas to the highest and best bidder, the following lands situated in Hempstead County, Arkansas, to-wit:

The North Half of the South Half of the Southwest Quarter (N1/2 S1/2 SW1/4) of Section Thirty-five (35), Township Fourteen (14) South, Range Twenty-five (25) West, containing forty (40) acres more or less. Also, one (1) acre of land lying in a square in the Southeast corner of the Northwest Quarter of the Southwest Quarter (NW1/4 SW1/4) of Section Thirty-five (35), Township Fourteen (14) South, Range Twenty-five (25) West.

Said sale will be held at 11:00 o'clock in the forenoon of the date aforesaid. The purchaser at such sale shall be entitled to credit of three months, but will be required to give bond, with approved security to secure the payment of the purchase price; and a lien will be retained on said lands further to secure such purchase money.

WITNESS MY HAND this 5th day of June, 1967,

JIM COLE  
Commissioner

June 6, 20, 1967

ning the diamond lead. Then South played dummy's deuce of spades. Charley had analyzed the hand completely by this time and had seen that there could be no real defense provided South had his bids. If South held six spades to the king the ten spot play would be hopeless. South

NORTH 20			
♥ J 9 2	♦ Q 8	♣ A Q 10	♠ A K Q 8 6
WEST	♥ 7 6 3	♦ 10 6 5 3	♣ 7 6 4 2
	♥ J 3	♦ 10 9 7 5 4	♣ 2
SOUTH (D)			
♥ K Q 8 5 4	♦ A K 7 2	♣ K 9 3	♠ 2
Neither vulnerable			
West	North	East	South
Pass	2 ♣	Pass	1 ♠
Pass	3 ♠	Pass	4 ♠
Pass	5 ♠	Pass	6 ♠
Pass	Pass	Pass	Pass
Opening lead—♦ 2			

would have to rise with the king. If South held five spades to the king South was doomed to defeat anyway. Charley discarded the possibility that South held seven spades to the queen.

That left one possibility. South might have started with five spades to the king-queen. In that case the ace play might cause South to take a wrong view of the trump situation.

Charley clattered up with the ace of trumps and led a second diamond. South won in his hand, looked at the ceiling, both opponents and the walls, and finally led a low trump and finessed dummy's nine. Charley's ace play had produced a trick for his ten spot.

## ♥+CARD Sense♦♦

Q—The bidding has been:

West	North	East	South
1 ♠	Pass	2 ♠	?

You, South, hold:

♠ A K J 7 ♦ K 3 2 ♣ A Q 10 5 4

What do you do now?

A—Pass. This is not your hand.

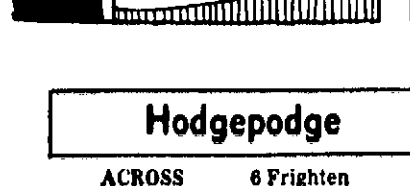

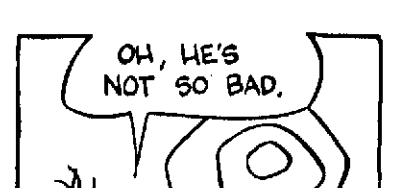

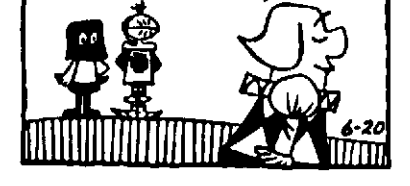

## TODAY'S QUESTION

You pass. West bids three spades and East four spades. What do you do now?

Answer Tomorrow

CONGRATULATIONS

to the Highest Ranking College Graduates

in Arkansas!

**Mrs. Brenda Kaye Briscoe**  
*Hazle*  
ARKANSAS A&M COLLEGE  
An Elementary Education major. Honors include vice president of Alpha Chi, an honorary fraternity, and listing in Who's Who in American Colleges and Universities. Her husband is Joseph Wallis Briscoe III; she plans to teach in Fayetteville.

**Miss Carole B. Bunge**  
*Mountain Home*  
UNIVERSITY OF ARKANSAS  
Her average was 3.67 through the Fall Semester 1966-67 in the College of Agriculture and Home Economics. She was awarded four scholarships. Her many honors and activities include Delta Gamma, Mortar Board, Phi Upsilon Omicron, and feature editor of the Agriculturist.

**Timothy Carter, Jr.**  
*El Dorado*  
ARKANSAS A&M COLLEGE  
He graduated summa cum laude with a grade point average of 2.91. Majored in Mathematics, minored in General Science. Member of Alpha Kappa Mu Honor Society, and has served five years in the United States Air Force.

**Miss Joyce D. Jennings**  
*Fayetteville*  
UNIVERSITY OF ARKANSAS  
She graduated in January from the College of Education with an average of 3.7. Honorary fraternity memberships include Alpha Lambda Delta, Pi Mu Epsilon, Kappa Delta Pi, and the honorary history fraternity Phi Alpha Theta, of which she was president.

**Miss Sue Carol Rice**  
*Scary*  
ARKANSAS STATE UNIVERSITY  
A Biology major in the University's School of Science, with an average of 3.92. Affiliations include Beta Beta Beta, national fraternity for outstanding biology students; American Chemical Society; and Chi Omega.

**David Woodall**  
*Paris*  
HENDRIX COLLEGE  
Graduated mid-term with a cumulative average of 3.9. Now at University of Kansas on graduate scholarship in Physics. Also won fellowship to the Graduate School of Engineering, Columbia University. His wife is the former Miss Carol Page of Little Rock.

**John Leming Chaney**  
*North Little Rock*  
LITTLE ROCK UNIVERSITY  
Graduated summa cum laude with a perfect grade point of straight A's—or 4.00. First LRU student graduating with such a record. He received the LRU Board of Trustees Scholarship to highest ranking Freshman, and the Little Rock Chamber of Commerce Award to this year's top LRU graduate.

**Gary Jones**  
*Jonesboro*  
ARKANSAS STATE UNIVERSITY  
A Radio-Television major and graduate of special distinction in the University's Division of Journalism, with an average of 3.62. Honors and activities include Phi Eta Sigma, Broadcasters Club, and member of KASU-FM staff.

**Miss Valerie Ross**  
*Clarkville*  
COLLEGE OF THE OZARKS  
Graduated magna cum laude as an English major. Was valedictorian of her class at Hartman High School. Her many honors and activities include Alpha Chi, Who's Who in American Colleges and Universities, Ozarks Area Mission Program, and Mountain Eagle staff.

**Charles Dawson**  
*Helena*  
ARKANSAS STATE UNIVERSITY  
An Accounting major in the University's School of Business, with an average of 3.84. His activities included Phi Eta Sigma, a scholastic honorary fraternity, and the ASU bowling team.

**Alan Lentz**  
*Jonesboro*  
ARKANSAS STATE UNIVERSITY  
A Music Education major in the University's School of Fine Arts, with an average of 3.68. Honors and activities include Kappa Kappa Psi, national honorary for men music majors; Concert Band and Marching Indians.

**Miss Frances Mayola Satterfield**  
*Brinkley*  
ARKANSAS COLLEGE  
She graduated summa cum laude as a Music major. Sororities: Alpha Chi and Sigma Alpha Sigma. Honors include Campus Beauty, Homecoming Queen, Who's Who in American Colleges and Universities, member of Student National Education Association.

**E. Hunter Epperson, Jr.**  
*North Little Rock*  
UNIVERSITY OF ARKANSAS  
The College of Engineering's top graduate with an average exceeding 3.9. Graduated mid-term and joined Teletype Corporation in Little Rock, but plans to attend graduate school on a NASA Fellowship in Electrical Engineering.

**Miss Patricia Ann McDaniel**  
*El Dorado*  
PHILANDER SMITH COLLEGE  
Majoring in Biology and plans further study in Cytology in preparation for college teaching. Awards include four-year Honor's scholarship, Guest Junior Scholarship to Wellesley College, and Rockefeller Scholar, 1964-65.

**Miss Margaret Ann Schell**  
*Baraga*  
UNIVERSITY OF ARKANSAS  
In the College of Arts and Sciences, her average was 3.96 through the Fall Semester 1966-67. She received the Woodrow Wilson Fellowship. She is a Phi Beta Kappa, Zeta Tau Alpha, is listed in Who's Who in American Colleges and Universities, and is a Mortar Board member.

**Miss Diane Funk**  
*Little Rock*  
HENDERSON STATE COLLEGE  
Honor graduate and member of numerous organizations including Alpha Chi, Alpha Sigma Alpha, and Panhellenic. Named outstanding sorority member in 1966-67 and is in Who's Who in American Colleges and Universities.

**Miss Helen Vernette Minns**  
*Succasunna, New Jersey*  
HAWKING COLLEGE  
She majored in Vocational Home Economics, with a grade average of 3.966. Transferred to Harding in junior year from David Lipscomb College, Nashville. Elected to Alpha Chi National Honor Society and was member of Harding Chorale.

**William W. Sprenger**  
*Harrison*  
UNIVERSITY OF ARKANSAS  
He averaged 3.91 through the Fall Semester 1966-67 in the College of Business Administration. His honorary fraternity memberships include Phi Eta Sigma, Pi Mu Epsilon, and Beta Gamma Sigma the Phi Beta Kappa of business administration.

**William Thomas Burgess**  
*Conway*  
STATE COLLEGE OF ARKANSAS  
His grade point average was 3.944. Major fields of study were physics, mathematics and chemistry. He has been granted an Atomic Energy Commission special Fellowship in Nuclear Sciences and Engineering for three years to work on a Ph.D.

**Mrs. Ellen Holleman**  
*Russellville*  
ARKANSAS TECH  
A Music major with a 3.93 average. Stamps is her home town. Her numerous achievements and honors include Tau Beta Sigma president, Tech Band's principal flutist, Honors Day Assembly for three years, and Who's Who in American Colleges and Universities.

**Mrs. Glennis Parker**  
*Silvan Springs*  
JOHN BROWN UNIVERSITY  
She majored in Social Studies and graduated summa cum laude. Named to Who's Who in American Colleges and Universities. Her husband is George Parker, John Brown's Director of Athletics. She is from Dixon, Missouri.

**Mrs. Rita Eileen Tucker**  
*Hampden*  
SOUTHERN STATE COLLEGE  
An English and Education major, she graduated summa cum laude. From Lordsburg, New Mexico, she is married to Jerry K. Tucker of Hampton. Honors include membership in Lambda Sigma Alpha and Sigma Tau Delta.

**Thomas B. Burke**  
*Fayetteville*  
UNIVERSITY OF ARKANSAS  
His average was 3.59 through the Fall Semester 1966-67 in the School of Law. He received the Hardin Award and Collum Award as outstanding Freshman Law student. He was Chief Justice of student court, and member of Blue Key, Beta Alpha Psi, and Beta Gamma Sigma.

**Miss Clara Jean Holt**  
*Jonesboro*  
ARKANSAS STATE UNIVERSITY  
An Elementary Education major in the University's School of Education, with an average of 3.66. Honors include Kappa Delta Pi and Pi Gamma Mu, for outstanding students in education and social sciences, respectively.

**Miss Patsy Rankin**  
*Texarkana, Texas*  
OUACHITA BAPTIST UNIVERSITY  
She earned her B.A. degree with a major in Drama. Was vice president of National Collegiate Players and member of Alpha Chi, CCU and Y.W.A. She transferred to Ouachita from Texarkana Junior College.

**James Walling**  
*Salem*  
ARKANSAS STATE UNIVERSITY  
The University's top graduate in the School of Agriculture, with an average of 3.56. Honors include Alpha Tau Alpha, a national professional fraternity for Agriculture majors, and Future Farmers of America.

**Marvin Zimmerman**  
*El Dorado*  
ARKANSAS STATE UNIVERSITY  
In the University's School of Liberal Arts, his average was 3.86. Honors and activities include Kappa Delta Pi, Lambda Iota Tau, President's Round Table, Interfraternity Council, and Sigma Phi Epsilon.

**Traveler Finds  
It's Small World;  
Airline Stewardess**

A week ago today we published our process color pictures of the Cardinals, and an airmail copy reached me at Holiday Inn-O'Hare Airport, Chicago, where I was attending an electronic measurement clinic staged by the Rochester (N.Y.) Institute of Technology.

The seminar adjourned in mid-morning Friday and while I was killing time in the motel lobby awaiting departure of the jet for home a man came up to me and asked to see my copy of The Star. He was Dr. Clifford Croome of El Cajon, Calif. His admiration of our process color work had a solid foundation. It turned out that when the doctor was a "teenager" back in the early 1930's, he took some apprenticeship training in offset printing.

"Tell me," he said, "if you do the same thing today that I did in the 30's. We were printing on flat sheets, and my job was to prepare the press plates. I was the boy who rubbed the light-sensitive solution onto a zinc plate before it was exposed to the negative."

"That part hasn't changed much," I replied. "Of course we use rotary presses today, fed with paper in rolls rather than flat sheets. And we use aluminum plates instead of zinc, for aluminum is flexible and can be wrapped around the cylinders of a rotary press. But, just as you did 30 years ago, we still use the rub-on process—that is, the raw plate is covered with a light-sensitive solution and then stored in a dark cabinet until the time comes to expose a negative on it and go to press."

Travelers' trails cross and men living thousands of miles apart find they have a common experience.

Flying home on a Delta DC-9 jet I observed our two cute stewardesses busy attending to the passengers, and a thought struck me:

This is vacation time. Airline stewardesses spend their lives traveling everywhere—what do they do for vacation? Certainly not traveling. But I was due for a surprise.

After we landed at Shreveport I stopped at the head of the gangplank and asked the girls:

"What will you do for vacation? Surely a stewardess wouldn't want to travel..."

"But you're wrong," they replied. "We love to travel on vacation—travel by automobile, that is."

That's how the cookie crumbles. Personally I was relieved to be able to leave my car in Shreveport and go to Chicago by jet. The parties of the other part, on the other hand, were ditching air travel and vacationing by car. It figures....

**Girl 12, Dies  
Water Skiing**

HOT SPRINGS, Ark. (AP)—Connie Theriot, 12, daughter of Mr. and Mrs. Roy Theriot of Centerville, La., was dead on arrival at a hospital here Monday after she collapsed while water skiing on Lake Ouchita near Camp Yorktown Bay.

Garland County Coroner W.R. Lee said he would perform a post mortem examination today.

Garland County Sheriff Robert Ball quoted witnesses as saying the girl collapsed and was unconscious when Alvin Catania of Plaquemine, La., the driver of her tow boat, returned to pick her up.

**Truck Decals  
Have Arrived**

LITTLE ROCK (AP)—The 251,700 pickup truck decals that must be on hand before the state Revenue Department starts selling license plates July 1 began arriving Saturday, state Auditor Jimmie "Red" Jones said Monday.

The department reported Friday that the decals had not come in by the June 15 due date.

The decals, which are required under the state's new permanent vehicle licensing law, were ordered under state printing contracts with the Park Printing and Stationery Co., of Little Rock.

## Sen. Dirksen Says Senate on Trial

By JOHN CHADWICK  
WASHINGTON (AP)—Senate debate on proposed censure of Sen. Thomas J. Dodd is snaggled in a procedural wrangle that Senate Democratic Leader Mike Mansfield says "could last all week."

Chances for an early vote on the censure resolution dimmed Monday as Sen. Russell B. Long, self-appointed defender of Dodd, renewed his demand for a vote first on the charge that the Connecticut Democrat knowingly double-billed the Senate and private groups for travel expenses.

The Senate ethics committee, which recommended Dodd's censure for what it called financial misconduct, remains insistent that the Senate vote first on the separate charge that Dodd converted at least \$116,083 in political funds to his personal use.

Long, D-La., said he has no intention of filibustering. But neither did he indicate readiness to yield the floor until his colleagues agree to vote first on the double-billing count.

Long said he expects the Senate to reject the double-billing charge and contended it was unfair to leave it hanging over Dodd while the other charge is debated.

Mansfield met Monday with Dodd, Long, Republican Leader Everett M. Dirksen and Chairman John Stennis, D-Miss., of the ethics committee to try to break the impasse.

"We got together but we didn't get anywhere," Mansfield later told reporters. But he said efforts would continue.

Long needs the Senate's unanimous consent to reverse the order of vote on the charges leveled by the committee. When he asked for it last week, members of the ethics panel objected.

Mansfield said he would be willing to vote on the double-billing charge first if an agreement could be obtained to follow this, after three or four hours of additional debate, with a vote on the other charge as it now stands.

Long maintained that if the

## U.S. Paid for Repairs on Vietnam Equipment But It Wasn't Done

By WALTER R. MEARS  
WASHINGTON (AP)—A Senate investigator says broken-down construction equipment is rusting and rotting in Vietnam because repairs paid for by the United States were left undone.

The Senate subcommittee on foreign aid expenditures plans to open hearings July 27 on that and other allegedly unfulfilled repair contracts involved in a \$400-million program for International Development program in Asia and Europe.

"They're paying millions of dollars for repair of equipment that has not been properly repaired," said Joseph Lippman, the subcommittee's staff director.

The inquiry stems from an inspection trip in Europe by Lippman and the subcommittee chairman, Ernest Gruening, D-Alaska, and a separate trip by Lippman to Asia.

Lippman told an interviewer there is evidence that repair work financed by the Agency for International Development in both areas is being done unsatisfactorily—or not at all.

The program involves reclaiming and repairing for foreign use construction equipment, cranes, trucks and jeeps declared surplus by the armed services.

Lippman said this equipment is sent to AID depots or contractors in Yokohama, Japan; Inchon, Korea; Cebu, Philippines; and Rota, Spain.

Much of more than \$2.5 million in work on equipment destined for civilian programs in Vietnam has been unsatisfactory, said Lippman.

At one area in Saigon, Lippman said he saw some 500

## A Bill to Make It a Crime to Desecrate Flag Likely by July 4

WASHINGTON (AP)—Legislation making it a federal crime to desecrate the American flag may be on its way to President Johnson before Congress quits next week for the 4th of July recess.

The House takes up the legislation today, with only a handful of votes expected against it, while plans in the Senate are to bring it to the floor after completion of debate on censure of Sen. Thomas J. Dodd, D-Conn.

Both sides plan to use visual aids in the House. Supporters of the legislation say they will show billboard-size photographs of a recent flag-burning incident in New York's Central Park and of the historic flag-raising by Marines on Iwo Jima during World War II.

Opponents plan to display flag-decorated items such as beach towels, pillows and earrings in order to find out if a provision applying the bill to all representations of the flag would make it illegal too, for example, to lean against a pillow with a flag on it.

The major effort to amend the bill is expected to be made by its supporters from both parties who want to spell out more clearly that the bill is aimed only at those who mutilate, deface, defile, burn or trample on the flag with malicious intent.

The House Judiciary Committee, which approved the bill two weeks ago, defeated 18 to 13 an amendment by Rep. Edward G. Biester Jr., R-Pa., to clarify its intentions so it could not be applied against unintentional offenses against the flag.

The measure, which provides a maximum penalty of \$1,000 fine and one year in prison, is intended to protect not only the flag but all representations of it, such as in paintings or on postage stamps.

Opponents of the legislation, led by Reps. John Conyers Jr., D-Mich., and Don Edwards, D-Calif., contend it is unconstitutional and is intended to infringe on dissent, particularly opposition to U.S. policy in Vietnam.

All 50 states already have laws directed at flag desecration, but the burning of a flag at an antiwar demonstration in New York in April has brought strong congressional pressure for federal legislation.

**Missouri in  
Okay to Line**

JEFFERSON CITY, (AP)—The Missouri Public Service Commission Monday granted authority to two companies to supply natural gas.

The Arkansas-Missouri Power Co. of Blytheville, Ark., was authorized to construct about 19 miles of four and three-inch lines to service the city of Piedmont in Wayne County.

The Associated Natural Gas Co. of Stikeston was authorized to construct 1 1/2 miles of 2-inch line to serve Oak Ridge in Cape Girardeau County.

**Wage, Hour  
Service Here  
Is Expanded**

The Hope Field Station of the U.S. Labor Department's Wage and Hour and Public Contracts Divisions (WHPC) has expanded its method of operations," Bill D. Guse, field office supervisor of the WHPC here reports.

The office has installed a recording device which will take a message during the hours in which the Hope field station is not manned because the investigator is out of the office checking wage-hour matters.

"Since the field station is open only during periods when the investigator is in the office, many telephone calls during normal work hours, during evenings and during weekends could go unnoticed without the recording equipment."

"Employers or employees in the Hope area wanting general information about the Fair Labor Standards Act (FLSA) or how it applies in particular establishments or in relation to their employment may now contact the Hope field station telephone at any time. The number is PR7-6733," Guse said. The office is located at Room 217, Federal Building, Hope, Arkansas 71801.

Counties or parishes normally served by this field station: Hempstead, Nevada, Clark, Pike, Howard, Sevier, Little River, Miller and Lafayette.

Lippman said the Agency for International Development now is conducting its own investigation of the situation.

## Whooping Cough Act Partly Void

LITTLE ROCK (AP)—The portion of a 1967 Act requiring all public and private school students to be immunized against pertussis, or whooping cough, was declared void Monday by Atty. Gen. Joe Purcell.

Purcell said that since the whooping cough shot could be detrimental to the health of persons age six or older, that portion of the law was "outside the police power of the state."

The opinion, written by Assistant Atty. Gen. Thomas A. Glaze, went to state Rep. Charles Matthews of North Little Rock and Speaker of the House Sterling Cockrill Jr. of Little Rock.

The law, authored by state Rep. Gladys Martin Oglesby of Stamps, requires immunization against poliomyelitis, diphtheria, tetanus, red measles and whooping cough. Only the whooping cough portion was voided.

Purcell issued an opinion in May that all students in grades 1-12 were covered by the law.

Dr. J. T. Herron, the state health officers, subsequently notified state Education Commissioner A. W. Ford that whooping cough shots were potentially dangerous for children over age six, and that the American Academy of Pediatrics had advised against the shots for older students.

Matthews asked Purcell for a second opinion in light of Herron's announcement.

Monday's opinion said the state had the right to require vaccinations when they were necessary to the public health and safety, but that it could not require vaccinations detrimental to life or health.

The law specifically excludes persons who oppose vaccinations because of religious beliefs and persons who have physical disabilities that might cause the shots to be harmful.

**Lawmaker's  
Assistant  
Coming Here**

Do you have a problem you think your congressman should know about?

Because you may have, Congressman John Paul Hammettschmidt is bringing his office closer to the people of his district by having an aide schedule meetings to learn of these problems.

Archie L. Lantz of Clarksville, district aide, will set up an office in Hope Friday, June 30, to meet with persons who have problems and views they would like to bring to the congressman's attention.

The office for the day will be in the Social Security office room on the second floor of the post office building. The hours for the visit will be from 9 a.m. to 4 p.m.

Lantz will be available to discuss any problem of a federal nature area residents wish brought to the congressman's attention and would especially like to meet with those persons having difficulty with their social security disability claims.

Lantz maintains a part-time office in Clarksville and is in the Fort Smith office Monday and Tuesday of each week.

**Man's Body Is  
Found in River**

HELENA, Ark. (AP)—The body of Preston Wilkinson, 34, of Barton, was discovered by a Phillips County Civil Defense diver about 7:20 p.m. Monday in the White River west of Milledgeville.

Authorities said Wilkinson, who had been missing since he left his home to go fishing Saturday, apparently fell out of his boat.

The boat was found floating in the river Sunday by Willis Pogue, an employee of the White River Wildlife Refuge.

## State to Pay Part of Cost

LITTLE ROCK (AP)—If the U. S. Senate had approved an amendment requiring the states to pay 20 per cent of the cost of the federal food stamp program, Arkansas would have been forced to cut back or even eliminate its program, state Welfare Commissioner Len Baylock said Monday.

Defeat of the amendment, which passed the House despite opposition from U. S. Rep. David Pryor, D-Ark., saved Arkansas \$1.5 million, Baylock said.

Baylock congratulated the Arkansas congressional delegation for its work in defeating the amendment, and singled out Pryor for special praise.

## 3rd Night of Violence in Atlanta

By RAY BELL  
ATLANTA, Ga. (AP)—The third straight night of racial violence in an Atlanta Negro neighborhood was quieted by police firing shotguns and pistols into the air.

The block-long area of the Dixie Hills shopping center erupted Monday night as crowds of rock-throwing Negroes poured into the street after attending a meeting at a nearby church where black power leader Stokely Carmichael urged them to "play it cool."

Two persons were injured and several arrested in the hour-long incident.

John Casserly, television newsman for the American Broadcasting Co., received a gash in the leg, apparently from a thrown object. A Negro man, who claimed he was a long-time friend of Carmichael's, displayed a slight cut in the thigh and said he thought he was hit by a stray buckshot pellet.

Windows in most of shopping center's five businesses were broken and glass littered the sidewalks after a rain of rocks and bottles bounced off police cars and around officers patrolling the area.

At least seven Negroes were arrested and charged with failure to move on at an officer's direction. All gave Atlanta addresses.

**Grant to Help  
Center at Spa**

HOT SPRINGS, Ark. (AP)—A \$125,685 grant to help finance a neighborhood center for the elderly in Hot Springs and Garland County was approved Monday by the Office of Economic Opportunity.

The United States contends that Israel and the Arabs, as the antagonists in this crisis, must eventually negotiate a durable settlement.

The Soviet contention is that Israel must immediately evacuate territories it overran in a blitzkrieg against the Arabs, return captured material, make restitution for damages to the Arabs and be condemned for "aggression."

Stover was a special assistant to the general counsel of the NLRB. He joined the agency in 1961 at Memphis.

He received degrees in industrial and labor relations at State University of New York and Cornell University. He served with the Marine Corps in Korea.

**All Around Town**

By The Star Staff

Friends will be sorry to learn that Billy Bob Herndon, Jr., 11615 Estrella Court, Dublin, Calif., 94566, was in a lawn mower accident at his home last Saturday that resulted in a fractured foot and the loss of three toes.... His mother is Mrs. Howard Waddle of Hope.

Martha Allison, daughter of Mrs. Roy Allison, enrolled at William and Mary on Monday to attend summer school there.... She has just completed her freshman year at Agnes Scott in Decatur, Ga., and is thrilled at the prospects of attending school in historical Williamsburg, Va., this summer.

Rhett Smith of Eastland, Tex., son of Willis G. Smith and grandson of Mrs. Don Smith of Hope, is touring Europe this month with the Youth Conference Corps.... He will be a high school senior next year and he received the trip through his interest in youth work.

Mr. and Mrs. O.A. Graves, quietly observed their 60th wedding anniversary yesterday with members of the family at 420 N. Washington, their home for the past 55 years.... Friends were glad to see Mr. Graves, who was injured in a fall 6 months ago, back at church on Sunday and at his office briefly on Monday.

There will be an important meeting of all Little League and Doctor's League managers and Little League Auxiliary members at the Youth Center at 8:15 p.m. on Wednesday, June 21.

Otto G. Gammill, Jr., son of Mr. and Mrs. O.G. Gammill of El Dorado, has been commissioned a second lieutenant in the U.S. Air Force upon graduation from Officer Training School at Lackland, AFB, San Antonio, Texas.... He is being assigned to Moody AFB, Ga. for pilot training.... He is a graduate of El Dorado High School and received his B.S. from Louisiana Polytechnic Institute.... He is a member of Kappa Sigma.... His report on the comparative values of different strains of mink for Mr. and Mrs. E.J. Whitman of Hope.

The afternoon session will get underway at 1:00 p.m. with a talk by Dr. D.H. McWade on the value of the poultry reinspection program in Arkansas. This will be followed by Dr. E.H. Peterson's report on recent developments in the control of coccidiosis, blackhead and CRD. Dr. P.W. Waldroup will then discuss nutritional studies with laying hens, and Dr. E.L. Stephenson will report on the comparative values of different strains of mink for Mr. and Mrs. E.J. Whitman of Hope.

## U.S. Formula Expanded Before UN

By WILLIAM L. RYAN  
UNITED NATIONS, N.Y. (AP)—The United States pleaded with the United Nations today to "defuse the bomb of hostility" in the Middle East and lay a solid foundation for a durable peace in that explosive area.

"We can unite for peace or we can divide in discord," U.S. Ambassador Arthur J. Goldberg told the 122-nation General Assembly convened in special session to consider the backlash of Israel's lightning victory over the Arabs in five days of war.

The U.S. representative's address was a reply to the major policy statement Monday of Soviet Premier Alexei N. Kosygin, who not only ripped into all aspects of U.S. foreign policy, but demanded that Israel be condemned as an aggressor and punished.

In his carefully measured response, Goldberg made it clear that President Johnson's policy speech Monday was the basis upon which the United States was appealing both to the assembly and to the Soviet Union as the other great world power.

He stressed at the outset the President's assurance that the United States "will do its part for peace in every forum, at every level, at every hour."

Kosygin failed to make an appearance as the assembly reconvened. Foreign Minister Andrei A. Gromyko and other members of the Soviet delegation were in their places.

"As the troubles of the Middle East are great, so also must our purposes be great," Goldberg told the assembly. "It is not enough to defuse the bomb of hostility; we must remove the explosive itself. Our ultimate aim must be nothing less than a stable and durable peace in the Middle East."

"Our task is far from easy. We may all unite for peace—in the abstract; but our real task is, for the sake of peace, to unite upon a course of action. This course must be rooted both in fidelity to the principles and purposes of the Charter and in a clear grasp of the historical events which have led to the present situation."

The Soviet contention is that Israel must immediately evacuate territories it overran in a blitzkrieg against the Arabs, return captured material, make restitution for damages to the Arabs and be condemned for "aggression."

The United States contends that Israel and the Arabs, as the antagonists in this crisis, must eventually negotiate a durable settlement.

**Deputy Labor  
Commissioner  
Appointed**

LITTLE ROCK (AP)—Thomas R. Stover, 33, of Washington, a field investigator for the National Labor Relations Board here from 1962 until 1964, was appointed deputy state labor commissioner Monday by state Labor Commissioner Dotson Collins.

Stover, a native of Ogdensburg, N. Y., succeeded Howard Pierce, who resigned recently from the \$9,250-a-year job.

Collins also announced the appointment of Norman Brooks, 33, of Little Rock, as a mediator. Brooks, a member of the Legislative Committee of the Brotherhood of Railway Clerks, succeeds William Patterson on June 26.

Stover was a special assistant to the general counsel of the NLRB. He joined the agency in 1961 at Memphis.

He received degrees in industrial and labor relations at State University of New York and Cornell University. He served with the Marine Corps in Korea.
